

History-Social Science Supplemental Materials Fair for Grades TK-12

The History-Social Science (HSS) Supplemental Materials Fair is an opportunity for the Riverside County Office of Education and the San Bernardino County Superintendent of Schools' sites and districts to meet with and preview materials that may be considered for adoption in districts throughout the Inland Empire. This one-day fair will be held to serve the needs of districts across the Riverside and San Bernardino Counties in an effort to implement the 2016 California History-Social Science Framework. This collaborative event will provide publishers the opportunity to showcase their state adopted history-social science supplemental materials to administrators, coaches, and teachers.
